By enrolling your student in lessons/groups you agree to abide by these terms and agreement. Once you have enrolled, your student has a place for the entire academic year, there is no need to fill out a new form each term, however, any changes (instrument, teacher, withdrawal) must be given in writing to the Head of the Music Academy, Julie Tompkins-Wagner (musicacademy_GWE@Gemsedu.com) no later than the last week of each term, or you will be liable for the following term's fees in full. There can be no withdrawal during the term except under exceptional circumstances. For students starting after the beginning of term, billing will begin from the first day students begin their lessons. 24 hour notice must be given by the parent to either the concerned teacher directly, the Music Academy Director or reception to cancel a lesson for any reason, or you will be billed for that lesson. If a teacher has to miss a lesson, it will either be made up or not charged. In the event of an official school activity (field trip/ski day) the lesson will be made up if possible or not charged. Please reimburse teachers directly for any books. For any questions or more information, please contact Julie.
