

### Schedule of language classes for the academic year 2018-2019

The World Language Learning Centre provides at GEMS World Academy-Switzerland an exciting environment to experiment with languages in a creative, fun and practical way. Every day classes for Mandarin, German, French, Spanish, Italian, Portuguese, Dutch, Arabic, Russian and English are proposed to children from 5 years old and to adults. We work in small groups (max 10 people) in order to improve self-confidence and develop communications skills by using theatre-based communication techniques in the classroom and benefit from state-of-the-art facilities. A minimum of 3 students are required to open a new class.
